## I Mazovian Education Deputy Superintendent

Artur Nawrot

Specialist in the field of education management, public administration, and education, with nearly 30 years of professional experience. A graduate of the University of Warsaw, where he completed a master's degree at the Centre for Local Government and Development Studies, specializing in the field of the functioning of local government systems and management in local environments.

He improved his skills through postgraduate studies at the Kozminski University in public administration management and numerous qualification courses, including education management, which further strengthened his competences in the organization and supervision of educational institutions. As a certified teacher with teaching experience, he has spent years improving his skills in working with teaching teams and students.

For nearly 15 years, he served as head of the Department of Education and Upbringing for the Żoliborz District of the Capital City of Warsaw, where he was responsible for implementing educational policies, overseeing educational institutions, and managing the budget. Previously, he gained experience as the Director and Deputy Director of the State School of Stenography and Foreign Languages and as a teacher of IT and legal subjects.

Since 1<sup>st</sup> of January 2025, he has been appointed as the Deputy Education Superintendent of the Mazovian Voivodenship.
