Rules for registration to recognize/confirm foreign certificate

- > registration for an appointment is available only online (it is impossible to book an appointment by e-mail or phone),
- > the person with a different name and surname than mentioned in the reservation will not be allowed to come,
- > it is possible to book only one term for appointment in advance (if you book more than one term your reservations will be automatically cancelled),
- > if you come for an appointment to The Education Office in a different term than you have booked, your documents will not be checked,
- > by the link that you will receive in e-mail you can cancel the appointment or change the date for the appointment (attention: the possibility to change the appointment is connected with the availability of free terms; we would like to request to check available terms before rebooking),
- > You can book an appointment maximum two months in advance,
- > "No available time slots on the selected day" - means that all available places in a given period, have already been booked. Next free places are made available systematically 2 months in advance. A free space can also be available if the person who had made the reservation cancels it in the reservation system. Due to a very high demand, please book your visits in advance.
